Drivestyle and Lifestyle in a unique mixture with classic cars, super- and hypercars. In rallies across the island or in an incomparable Concours of Elegance at the famous Golf Son Vida with an international jury of experts. But also, with a much noticed "Next Generation"-Jury.

Combining the art of building cars, coachbuilding, prototypes and unique ones with technical innovation and design masterpieces – ICONS spans the arc from yesterday to today and into tomorrow. Our offer to you is to be delighted in very special moments with very special people, owners and friends.

Take the rally, go to the concours, drive the ladies-teams-only day trip or bring your beach car. Pick the right reason to discover the "Summer Hollywood" of the Fifties.

We invite you to join us.  
It is our pleasure. You will love it.
